ANTIGRAVITY CPG SOLUTIONS | TECHNICAL DATA SHEET

Galactic Lychee Lecithin

1. SUPPLY CHAIN TRACEABILITY

Vendor Entity:	**NorthStar Ingredients Corp**	**Production Site:**	FAC-205-02
Vendor ID:	VND-205	**Facility Grade:**	SQF Level 3 Certified

2. PHYSICOCHEMICAL STANDARDS

Parameter	Target Specification	Unit
Assay / Purity	≥ 99.2%	% w/w
Moisture Content	≤ 0.75%	% w/w
pH (10% Solution)	6.45 – 7.15	pH S.U.
Specific Gravity	0.920 – 0.940	g/cm^3

Chemical Abstract Services (CAS) Number: 3589-48-5
Residual / Organic Solvents: We have reviewed our products and can affirm that residual / organic solvents are not used in the manufacture of this ingredient, and no solvents are present in the final product.

3. MICROBIOLOGICAL QUALITY CONTROL

Test Attribute	Tolerance Limit	Test Reference
Total Aerobic Count	< 1,000 CFU/g	AOAC 990.12
Salmonella spp.	Negative / 25g	FDA-BAM Ch. 5
Listeria Monocytogenes	Negative / 25g	USDA/MLG
E. Coli	Negative / 10g	USP <62>
Yeast and Mold	< 50 CFU/g	ISO 21527-1

4. REGULATORY STATUS & SAFETY (FSMA)

FSMA Performance: Produced in a processing environment utilizing preventive controls for human food as required by 21 CFR Part 117. Hazard Analysis (HA) and Risk-Based Preventive Controls (PCO) are on file.

BSE/TSE: Product is purely plant-derived and poses no risk of bovine spongiform encephalopathy (BSE).

Heavy Metals: Compliant with CA Proposition 65 limits. Lead < 0.1ppm, Arsenic < 0.1ppm.

Food Safety Programs: Our facilities are committed to the manufacture and sale of food ingredients that are fit for use and safe to consume. Documented Food Safety and GMP procedures are in place (GFSI/SQF certified).

Foreign Supplier Verification Program (FSVP): Our program identifies all known or reasonably foreseeable hazards with each food received/imported. Reevaluation occurs at least every three years.

5. PACKAGING & STORAGE LOGISTICS

Standard Packaging: 25kg hermetically sealed HDPE pails.
Storage: Maintain temperature 15-22°C. Humidity < 55% for optimal stability. Shelf life: 24 months from manufacture under recommended conditions.

6. ALLERGEN COMPLIANCE PROFILE

Allergen Category	Status
Milk	❌ No
Eggs	❌ No
Fish	❌ No
Crustacean	❌ No
Tree Nuts	❌ No
Peanuts	❌ No
Wheat	❌ No
Soy	❌ No
Sesame	❌ No
Gluten	❌ No
